

“SPRING TIME IN THE ROCKIES” by Gary “Big Dog” Moreland

Let me tell you about a jewel of a Corvette event that may be misunderstood or simply not a large target on our collective radar.

First I must admit that this event took place closer to summer and that it was not in the Rockies, but that “Summer time in the Brimstones” doesn’t have quite the romance as the aforementioned Rockies.

Our WSCC friends Bill & Mary Kaska have been touting the “Bloomington Gold Tours” to me for the last couple of years. Bloomington Gold Tours is the brainchild of a delightful young couple Dwayne & Cindy Bublitz, who are in the business of offering Corvetter’s the opportunity to tour various scenic portions of the West without any of the heavy lifting. They plan the routes, provide the lodging, meals & activities for a week of relaxed touring and camaraderie with other Corvette owners.

My friend from Orlando, FL joined me in Flagstaff, AZ for what turned out to be as promised, a memorable week of touring through some of the most spectacular scenery, on great roads. Our tour took us to Lake Powell, Glen Canyon, the northern rim of the Grand Canyon, Bryce & Zion National Parks. The bonus was meeting the other tour members. They were from Alabama, Ohio, Texas, Illinois and of course California, including several WSCC members.

The point of all of this is to let you know that if you are looking for something else to do besides or in addition to Car Shows, Auto Crossing, Drive & Dines to the same old spots, take a look at Dwayne & Cindy's website www.BloomingtonGoldTours.com you are sure to find an itinerary that will get you excited and provide a long lasting Corvette memory.
